

Digging for History: the secrets of Devizes' Roundway Down

Free family friendly drop-in event Activities for all ages

Join us for a series of hands-on activities exploring the lives of people who lived on the North Wessex Downs from the Iron Age onwards.

Come and see the exciting treasures Wessex Archaeology have discovered on Roundway Down, Bishops Canning and Horton, during construction of National Grid's North Wessex Downs Visual Impact Provision project.

Go back in time with Virtual Reality headsets, learn archaeological techniques and explore both artefacts and ecofacts.
